A

Abuse. See Child Abuse; Domestic Violence

Adolescents

"Keep a blank face. I need to tell you what has been happening to me": Teens' stories of abuse and violence before and during pregnancy (Renker), 109

Perceived health status in urban minority young adolescents (Honig), 233

Project BART: Effectiveness of a behavioral intervention to reduce HIV risk in adolescents (Butts, Hartman), 163

Who knows more about condoms? A comparison between nursing students, education students, and at-risk adolescents (Norris, Beaton), 103

Adoption

Kangaroo care for adoptive parents and their critically ill preterm infant (Parker, Anderson), 230

African Americans

Body image in postpartum African American women: Does weight make a difference? (Morin, Brogan, Flavin), 20

Alternative Therapies.

See Complementary/Alternative Therapies

Assessment

Paradigm for assessment: Women's knowledge and skill attainment (Driscoll), 288

Asthma

A descriptive study of women's perceptions of their asthma during pregnancy (Beckmann), 98

Strategies to promote adherence in children with asthma (Divertie), 10

B

Body Image

Body image in postpartum African American women: Does weight make a difference? (Morin, Brogan, Flavin), 20

Breastfeeding

An ecological approach to breastfeeding (Tiedje, Schiffman, Omar, Wright, Buzzitta, McCann, Metzger), 146

Weighing preterm infants before and after breastfeeding: Does it increase maternal confidence and competence (Hall, Shearer, Mogan, Berkowitz), 318

C

Child Abuse

Early clinical assessment for harsh discipline strategies (Gaffney, Barndt-Maglio, Myers, Kollar), 34

"Keep a blank face. I need to tell you what has been happening to me": Teens' stories of abuse and violence before and during pregnancy (Renker), 109

Maternal discipline of children with Asperger syndrome and nonverbal learning disorders (Little), 349

Childbirth

Empowering women to give birth (Perez), 189

"I felt violated": Women's experience of childbirth-associated anger (Mozingo, Davis, Thomas, Droppleman), 342

Self-hypnosis: Alternative anesthesia for childbirth (Ketterhagen, VandeVusse, Berner), 335

Children

Airbags and children: Making correct choices in child passenger restraints (Kamerling), 109

Early clinical assessment for harsh discipline strategies (Gaffney, Barndt-Maglio, Myers, Kollar), 34

Maternal discipline of children with Asperger syndrome and nonverbal learning disorders (Little), 349

Neonatal predictors of school-based services used by NICU graduates at school age (Lin-deke, Stanley, Else, Mills), 41

Strategies to promote adherence in children with asthma (Divertie), 10

Chronic Illness

Autonomic dysreflexia: A special challenge for the nursing care of the woman with quadriplegia during childbirth (Earl), 93

A descriptive study of women's perceptions of their asthma during pregnancy (Beckmann), 98

Maternal discipline of children with Asperger syndrome and nonverbal learning disorders (Little), 349

Neonatal predictors of school-based services used by NICU graduates at school age (Lin-deke, Stanley, Else, Mills), 41

Neural tube defects: Prevention and folic acid (Hasenau, Covington), 87

Strategies to promote adherence in children with asthma (Divertie), 10

Complementary/ Alternative Therapies

Are there legal issues of concern for nurses when patients use complementary and alternative medicine? (Cady), 119

Self-hypnosis: Alternative anesthesia for childbirth (Ketterhagen, VandeVusse, Berner), 335

Compliance

Strategies to promote adherence in children with asthma (Divertie), 10

- What others are saying (Freda), 313

Education.

See Nursing Education; Patient Education

Evidence-Based Practice

- Accuracy of children's self-reported adherence to treatment (Hayman), 250
- Analgesia for circumcision: Effects on newborn behavior and mother/infant interaction (Bakewell-Sachs), 304
- Autonomy development in adolescents with insulin-dependent diabetes mellitus (Lipman), 364
- Binge drinking in pregnancy - frequency and methodology (Tiedje), 122
- Chinese women's perceptions of the effectiveness of antenatal education in the preparation for motherhood (Callister), 303
- Comparison of caloric intake and weight outcomes of an ad lib feeding regimen for preterm infants in two nurseries (Bakewell-Sachs), 124
- A comparison of the psychological resources of adolescents at low and high risk of mistreating their children (Lipman), 196
- Culture care conflicts among Asian-Islamic immigrant women in United States hospitals (Callister), 194
- Effectiveness of a home intervention for perceived child behavioral problems and parenting stress in children with in utero drug exposure (Bakewell-Sachs), 124
- Effect of redesigned community postnatal care on women's health 4 months after birth: A cluster randomized controlled trial (Tiedje), 252
- Effects of smoking reduction during pregnancy on the birthweight of term infants (Tiedje), 364
- End-of-life care for neonates and infants: The experience and effects of a palliative care consultation service (Hayman), 60
- Enduring love: A grounded formal theory of women's experience of domestic violence (Tiedje), 252
- Evaluating the impact of peer, nurse case-managed, and standard HIV risk-reduction programs on psycho-social and health-promoting behavioral outcomes among homeless women (Callister), 195
- Functional status after fatherhood (Callister), 303
- Health consequences of intimate partner violence (Tiedje), 364
- Identifying risk factors for maternal depression in families of adolescents with epilepsy (Lipman), 364
- Immunization recall: Effectiveness and barriers to success in an urban teaching clinic (Lipman), 196

- Infant sleep placement after the Back to Sleep campaign (Bakewell-Sachs), 302
- Infant weight and childhood overweight status in a multicenter cohort study (Hayman), 251
- Lactation mastitis: Occurrence and medical management among 946 breastfeeding women in the United States (Tiedje), 250
- Outreach: Targeting high-risk women through community partnerships (Callister), 302
- Pacifier use, early weaning, and cry/fuss behavior (Lipman), 195
- Parent-adolescent communication and sexual risk behaviors among African American adolescent females (Tiedje), 123
- Parental monitoring: Association with adolescents' risk behaviors (Hayman), 60
- Peak flow meters in childhood asthma: Parent report of use and perceived usefulness (Lipman), 355
- Physical activity and bone measures in young children: The Iowa Bone Development Study (Hayman), 251
- Physiologic stability of intubated VLBW infants during skin-to-skin care and incubator care (Bakewell-Sachs), 123
- Predictors of postpartum depression (Callister), 194
- A randomized trial to reduce passive smoke exposure in low-income households with young children (Hayman), 59
- Relationship among maternal-fetal attachment, prenatal depression, and health practices in pregnancy (Callister), 59
- Severity of violence against women correlates with behavioral problems in their children (Callister), 58
- Trends in postneonatal aspiration deaths and reclassification of sudden infant death syndrome: Impact of the Back to Sleep program (Bakewell-Sachs), 304
- To be rather than not to be - that is the problem with the questions we ask adolescents about their childbearing intentions (Tiedje), 364
- Using evidence to educate birthing center nursing staff about infant states, cues, and behaviors (White, Simon, Bryan), 294
- Women's perceptions of helpful and unhelpful nursing behaviors during labor: A study in Taiwan (Callister), 58
- Women's voices reflecting changed expectations for pregnancy after perinatal loss (Tiedje), 122

F

Family-Centered Care

- Early clinical assessment for harsh discipline strategies (Gaffney, Barndt-Maglio, Myers, Kollar), 34
- The nurse practitioner role in the NICU as perceived by parents (Beal, Quinn), 183

Family Planning. See Contraception

Fetal Surgery

- Management of fetal airway obstruction: An innovative strategy (Howell, Burns, Lenghetti, Kerr, Harkins), 238
